**Passion for Humanity** is a 501c3 non-profit organization whose mission is to increase awareness of and provide support for human trafficking victims. We leverage local community and sporting events, such as the Just Ride for a Just Cause organized bike ride, as a vehicle to generate awareness and help restore victims of modern-day slavery. Proceeds from these events will be used to assist local & regional programs that provide aftercare in the form of housing, counseling, healthcare and education programs.
